Your Answer:

```
h1{  
  font-family:'sans-serif';  
  opacity:0.8;  
  text-center;  
  color:green;  
}
```

Question 9

0 / 1 pts

Given the following HTML:

```
<body>  
  <div id="black-box"></div>  
</body>
```

Write CSS that makes the div with an id of black-box a 100px x 100px black box that is centered in the middle of the screen.

Your Answer:

```
#black-box{  
  width:100px;  
  height:100px;  
  text-center;  
}
```
